

International Conference on Rubber Molding

Rubber MOLDING

Asia 2010

23 - 24 August 2010
Impiana KLCC Hotel, Kuala Lumpur, Malaysia

*Conference focusing
on technological developments of Rubber Molding*

Technical conference for Rubber Industries in Asia

Organized by

TechnoBiz Communications Co., Ltd.
300/53, Soi Lardprao 35/1, Lardprao Road, Bangkok, Thailand
EMail : conference@technobiz-asia.com www.technobiz-asia.com

In cooperation with

Research & Design Specialities Inc., USA
Rubber Industry Consultant - Van Walworth

Technical Training Programs (Post-Conference Events)

Flashless Rubber Molding Techniques (25 August 2010, Kuala Lumpur)

Advanced Rubber Mold Design Techniques (26 August 2010, Kuala Lumpur)

Technical Program

This conference is aimed for rubber industries in Asia, which covers technological developments in rubber molding. Papers are invited on following topics :

1. Developments in Rubber Injection Molding
2. Developments in Compression and Transfer Molding
3. Innovations in Process Control and Monitoring
4. Compounds and Elastomers for Molding of Rubber
5. Energy & Cost Saving Options
6. Cure Time Reduction
6. Innovations in Mold Release Agents
7. Waste Reduction & Flashless Molding
8. Liquid Silicon Rubber (LSR) Molding
9. Rubber Mold Design Software & Simulation
10. Rubber Mold Coating, Finishing
10. Runner and Gate Design
12. Rubber to Metal Bonding
11. Performance Testing and Inspection of Rubber Parts
12. Manufacturing of Multi-Material Rubber Parts
13. Optimization and Troubleshooting of Rubber Molding Process
14. Innovations in Auxiliary Equipment

Call for Papers : If you are interested to present a paper at this conference, please send title of paper, summary, speaker name(s) and company name(s) to **Mr. Peram Prasada Rao** (Conference Manager) email : conference@technobiz-asia.com or fax at +66-2-513 1301 before 20 February 2010. Each confirmed speaker will be given 30 minutes time slot for making presentation in this conference. Speaker do not have to pay for the conference, but are responsible for their own travel expenses and hotel accommodations.

Important Dates :

Submission of Abstract :	20 February 2010
Submission of Full Paper :	30 April 2010
Submission of Final Presentation :	1 July 2010

Conference Language : Please note that this conference will be conducted in English.

Organizer Profile : TechnoBiz Communications Co., Ltd, based in Bangkok, specialised in organizing technical training programs, seminars and conferences related to rubber and plastic industries; energy and environmental technology segments in South East Asia. Other activities include publishing magazines and technical books. More information about TechnoBiz can be found at www.technobiz-asia.com .

**Abstract Submission
(Deadline : 20 February 2010)**
